MESSAGE FROM THE EXECUTIVE DIRECTOR

Things that are seen don't last forever, but things that are not seen are eternal.
That's why we keep our minds on the things that cannot be seen.
II Corinthians 4:18

After our first meeting with neighborhood residents in SE Raleigh's Long Acres community, neighborhood resident turned leader, Myrtle Strickland-Shepard, told me that she knew that our Neighborhood Revitalization Initiative effort in her community was going to be different. She hadn't seen anything happen, mind you, but she has abundant faith.

She knew it was going to be different in that it was going to make a genuine and lasting difference. Not just some big plans on paper that never get fulfilled. But a real difference. One that would change the perception of the community from being one in decline to one on the rebound.

Ms. Strickland-Shepard's comments reflect true faith on her part. Habitat is new at holistic community development, but we share her sense of faith and we believe in working in relationship with neighborhood residents as those who know best what their community needs.

Faith + Relationships = Genuine and Lasting Change

Thanks to your support, Habitat Wake served 44 families in the 2010-11 fiscal year and we are well on our way to serving 70 families in the current year. With faith as our guide, relationships at the core of who we are, and with thousands of volunteer partners and donors, we know that the results you see in this report are just a beginning of greater things to come for our neighbors in need in Wake County! Thank you so much!

Blessings,

Kevin Campbell
Executive Director

Myrtle Strickland-Shepard volunteers her time and energy to the Neighborhood Revitalization efforts at Long Acres. Here, she addresses a small group of donors as Executive Director Kevin Campbell looks on.
