

Apply for Home Preservation!

Thank you for your interest in Habitat for Humanity of Wake County's *Home Preservation* program. Through Home Preservation, we seek to serve homeowners who are either unable to afford, or unable to complete necessary home improvements. The program requirements are as follows:

1. You must own and occupy a home that is at least 10 years old and could benefit from exterior improvements.
2. You must live within a designated service area: within a Neighborhood Revitalization community, within five miles of current Habitat Wake construction, within special build/event location.
3. You must meet the income guidelines of household income -- no more than 60% of the Area Median Income for your household size.
4. You must be current on property taxes.
5. You must be willing to partner with Habitat for Humanity of Wake County by providing volunteers to assist in completing the work.
6. You must be unable to afford necessary home improvements and unable to complete them otherwise due to age, disability, or circumstance.
7. You must pay the program fee, in full, to Habitat Wake, in accordance with your requested repairs before work is scheduled for your house.

Tiers:
