*Informational meeting on Thursday, September 20 at 6:30 p.m. at Habitat Wake*

Join Habitat Wake and Habitat for Humanity Honduras for this special global build and help bring strength, stability and independence to families in need of a decent place to live. As you build a home with a Honduran family, you'll be welcomed into the community. You'll eat traditional food and meet the neighbors whose lives you're helping to improve.

Habitat Wake's next global trip to Honduras is **March 2-10, 2019.**

Enjoy a hands-on building project, experience the area like an insider and share the trip with a team of like-minded volunteers. No experience is required!

*Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.*

## TASKS ON THE WORK SITE

Mission trip team members may work in all stages of construction, from digging foundations to painting houses. Responsibilities will likely include carrying bricks, mixing cement or adobe, compacting dirt, moving materials and other tasks as assigned by the construction supervisor.

## SHARE YOUR STORY AND KEEP HABITAT BUILDING
