GRASSROOTS TEAM SPONSORSHIPS - \$3,750

Habitat Wake's Women Build program started as a grassroots project. We encourage all individuals, schools, book clubs, sororities, garden clubs, congregations and other non-profit groups or non-corporate groups to form a team. Your team benefits include:

- Listing on site signage
- Listing on Women Build t-shirts*
- One build day for a group of 15-20.**
- Up to 20 Women Build t-shirts for team members
- Team spotlight in Women Build e-news
- Recognition in dedication program
- Invitation to home dedication ceremony
- Personalized recognition plaque

* Sponsorship commitment due by **August 15, 2019** in order to meet deadlines for t-shirts, signage, and other promotional materials

**Thursdays, Fridays, and Saturdays are available for volunteer teams.

Every
volunteer
wants
meaningful
work.

Where?

The 2019 Women Build homes are located on Caddell St. in Wake Forest.

When?

Volunteers will begin building in 2019.

How?

We need corporate-sponsored teams, grassroots teams and *She Nailed It Build Day* volunteers to meet our goal of raising \$130,000 to fund the cost of construction materials.

For more information, contact Ashleigh Bergh at 919.744.2422 or ashleigh.bergh@habitatwake.org or register at www.habitatwake.org/womenbuild.

WE LOOK FORWARD TO BUILDING WITH YOU!

Women Build 2019

building strength, stability,
and self-reliance through
affordable housing

Habitat for Humanity®

of Wake County

Serving Wake and Johnston Counties

TOGETHER, WE BUILD. www.habitatwake.org

Every hand makes a difference.

Habitat for Humanity of Wake County's Women Build program builds homes with families in need of safe, affordable housing. These homes are funded and constructed primarily by women. The Women Build program provides a female-friendly work site that empowers women to take leadership roles and learn new skills, while building a home with a hard-working family.

"We love coming out, being a part of the community and working with the future home owner on their new residence. One of our sorority's areas of focus is to strengthen the family and what better way to do that then ensuring reliable quality housing."

--- Sharon Johnson,
Team Leader of Sigma Tau Omega of AKA Sorority

More Families Served. Women Build is not about excluding men; it's about including women and serving more families. Women Build has built 16 new homes in Wake County and raised more than \$800,000 for construction costs.

Need. 1 in 4 families in Wake County are cost-burdened and need affordable homes. Many of these families cannot access adequate rental housing and do not qualify for a traditional mortgage because of their low income. Habitat Wake is one of the only mortgage options available to low-income working families in our community.

Impact. The greatest impact of a Habitat Wake home is for the family that buys a safe, affordable home and gains the sustainability of homeownership. Children have their own room to study; there is enough room to invite friends over; and it is safe to play outside. Owning a home leads to a higher quality home environment, improved test scores in children and reduced behavioral problems. Homeowners have the chance to build equity and save for education and retirement.

Everyone needs a place to call home.

Every connection creates the opportunity to build a better life.

2019 WOMEN BUILD EVENTS

She Nailed It! Build Day

Saturday, Sept. 28. The *She Nailed It! Build Day* offers individual women an opportunity to join together for a build day, lunch, and a short program featuring a Women Build homeowner. All participants will receive a Women Build t-shirt, water bottle, chance to win door prizes, and the opportunity to be a part of a life-changing experience for a hard-working family. Registration is \$100 per person.

Team Build Days. Sponsored teams will have first choice of build days. Build days are Thursday, Friday, or Saturday from 8 a.m. to 3:30 p.m. Lunch break is at 11:30. It is a great team building day!

Dedication. A special Habitat Wake tradition is to hold a dedication ceremony to welcome the partner family into the newly constructed home. Volunteers, sponsors, neighbors and friends are invited for refreshments and to tour the completed homes.
