**Habitat Open House
Saturday, October 26
12 - 5:00 pm

Habitat is building new, affordable homes in both Kenly and Selma this year. To be considered "affordable," housing expenses must be less than 30 percent of a family's household income. In Wake and Johnston counties, one in four families spends 30 percent or even more of their income on housing costs. Habitat Wake serves families from all walks of life, so if you have any interest at all, we encourage you to attend the event to learn more. For more info, visit habitatwake.org/selma.

This year, Habitat Wake is building 60 new homes locally, completing exterior repairs on 15 homes and funding the construction of 125 homes globally. Financial support is provided by corporate, foundation, faith and individual sponsors, as well as by the Habitat Wake ReStores.
