

Tithe Partner Call
Habitat for Humanity Malawi
June 28, 2022

Year in review

- ❑ Accomplishment #1: 21 households of Orphans and Vulnerable Children assisted with decent housing.
- ❑ Accomplishment #2: 14 households of Persons with Disabilities assisted with decent houses.
- ❑ Accomplishment #3: 423 households of people affected by disaster assisted with disaster resilient houses.
- ❑ Accomplishment #4: Over 7,000 people supported with access to safe water and improved latrines.
- ❑ Lesson #1: Complaints and feedback mechanism increases accountability to beneficiaries.
- ❑ Lesson #2: Training of beneficiaries on how to make temporary recovery shelters is more effective.
- ❑ Lesson #3: Integration of programs for greater impact e.g., WASH and climate change.

Looking to the future

- ❑ We are excited about the strategy development process for our new strategy 2023-2028 that will commence in July 2022.
- ❑ We are excited about our two new pilot projects, one funded by ECHO to support 3 major cities of Malawi to strengthen all-inclusive disaster preparedness and linking Early Warning to Early Action, and another supported by Chris Endsor of Miller Homes aimed at contributing to the accessibility and uptake of durable, affordable, and environmentally-friendly construction materials in Malawi.
- ❑ Goal #1: To develop a five-year Country Program Strategy that will triple our impact, our scale and our coverage.
- ❑ Goal #2: To develop a five-year Fundraising and Communications Strategy.
- ❑ Goal #3: To raise resources to successfully deliver the Country Strategy.

**A Great Thank You to All
