No one should have to choose between paying for housing and paying for groceries, education, transportation or healthcare. I'm standing with @HabitatWake to make sure home is something we can all afford. #CostofHomeWake

I'm working to ensure that no one in our community has to spend half or more of their income on housing. Everyone should be able to afford safe, decent housing without sacrificing other needs. @HabitatWake #CostofHomeWake

One in four families in Wake and Johnston counties must choose between a safe home, groceries, health care, and reliable transportation. No one should have to make that choice. Let's make sure that home is something everyone can afford. @HabitatWake. #CostofHomeWake
