Join the mission trip to El Salvador June 9-17, 2018.

The Community of St. Francis of Assisi has organized a mission trip to El Salvador with Habitat Wake, and you are invited to join us. El Salvador is the poorest country in Central America where almost 60% of the population live in substandard housing. During this one-week build, we'll work with Habitat partner families on all aspects of building a simple, decent and safe place to live for a few local families. During our free time in El Salvador, we will explore cultural sites, including sites related to the life of Archbishop Oscar Romero. Archbishop Romero was the voice of the poor in El Salvador and was killed in 1980 while saying mass. He was beatified (the first step towards sainthood) by Pope Francis in 2015.
