

PRIDE BUILD

Become a 2024 Pride Build Sponsor

Habitat Wake strives to create a community where everyone has a decent place to live. Our Pride Build initiative brings together Raleigh's LGBTQ+ community and allies to address the unique housing challenges faced by the LGBTQ+ community, including social stigma and youth homelessness.

With your support, we work towards long-term change aimed at removing these barriers and specifically addresses the harms that LGBTQ+ communities have historically had to overcome.

Sponsorships range from \$50,000 to \$5,000 (see benefits on back). For more information, contact **Director of Development, Dan McHugh**.
