

Parental or Guardian Consent and Waiver of Liability Form For volunteers under the age of 18

Please bring to the site on your scheduled workday.

Note: Children under the age of 16 are not allowed on a Habitat Wake construction site for any reason. Youth 16 and 17 can only volunteer if there is 1 adult per 5 youth present on the worksite.

Dear Parent or Guardian:

We appreciate your child's interest in volunteering with Habitat for Humanity of Wake County. We couldn't provide affordable housing throughout Wake County without the contributions of volunteers.

While we take every precaution to ensure a safe, enjoyable work experience for our volunteers, construction sites do present certain dangers. Habitat Wake relies on mature, responsible volunteers, capable of working with minimum supervision. Accordingly, it is our policy to require the execution of this *Consent Waiver Liability Form* by a parent or guardian of volunteers under the age of 18. Please acknowledge your consent and agreement to the following by signing below:

I am the parent and/or legal guardian of _____, who is _____ years old, and s/he has my permission to work as a volunteer with Habitat Wake. I understand that if my child is 16 or 17, then s/he may work on the construction site with adult supervision.

On behalf of said minor, I expressly waive any claim for compensation for work done and hereby release Habitat Wake from any liability for illness, injury or medical expenses sustained by said minor while volunteering with Habitat Wake -- beyond what may be offered freely by Habitat. I further agree to personally indemnify Habitat Wake and hold organization harmless from any loss sustained by reason of any illness or injury to said minor while volunteering for Habitat Wake.

I understand that the only volunteer coverage Habitat Wake will provide is a volunteer insurance policy that pays only **direct medical expenses** that are **not** paid by my own insurance company. The limit of coverage is \$250,000 for overall accident medical expenses after the full amount paid by the volunteer's insurance company.
